GOVERNANCE

Charitable Objectives

Jewish Heritage UK is the first and only agency dedicated to caring for the historic synagogues and sites of Britain's Jewish community, the oldest non-Christian faith group in the country. The objectives of Jewish Heritage UK are:

- The preservation and conservation for the benefit of the public of historic buildings and sites of Britain's Jewish community
- The promotion of the Jewish Heritage by educating the public in the subject of historic buildings and sites of Britain's Jewish community and facilitating public access to them

The Charity Commission's guidelines on public benefit are taken into account by the Trustees when planning the activities of the charity.

Geographical Scope

The organisation operates nationally, in England, Wales, Scotland and Northern Ireland. Where appropriate, Jewish Heritage assists in the protection of the material cultural heritage of the Jewish communities of the Channel Islands, the Isle of Man, the Irish Republic and Gibraltar, which have close historic ties with the Jewish community on the UK mainland.

Charitable Status

Three years after its establishment in February 2004, Jewish Heritage UK attained Registered Charity status on 1st March 2007 (Registered Charity Number 1118174). The organisation is governed by a Declaration of Trust dated 30 January 2007. New Trustees are elected at a Special Meeting by a majority vote of Trustees. See also www.charitycommission.gov.uk for the official entry on the Charities Register. Jewish Heritage UK is a member of the National Council for Voluntary Organisations (NCVO).

Remit and Targets

Within the Jewish community, Jewish Heritage provides independent professional support to custodians, individual congregations, trustees and synagogue organisations to improve their ability to maintain and manage their historic buildings and sites. We aim to encourage repairs to be carried out to recognised conservation standards. We provide guidance when required through the Listing and Planning process and on strategies to unlock external sources of funding. We seek to find a sustainable future for historic synagogues wherever possible by retaining the primary worship function, with additional uses and enabling development. We aspire to a national strategy for a sustainable future for historic synagogues as a distinct building type alongside the places of worship of other faiths, especially churches.

Jewish Heritage liaises with official conservation bodies, especially English Heritage, national Amenity Societies and Local Planning Authorities, on matters pertaining to historic synagogues and sites. Jewish Heritage works closely with English Heritage on Statutory Protection and Repair Grants, especially the Repair Grant Scheme for Listed Places of Worship, which is now funded solely by the Heritage Lottery Fund (HLF) and the Listed Places of Worship Scheme (VAT grant) which is administered by the Department of Culture, Media & Sport (DCMS).

Jewish Heritage UK
Report of the Trustees
for the year ended 31st December 2012

Since 2006 Jewish Heritage has been included under 'Useful Addresses' in the annual *Institute of Historic Building Conservation Handbook* - the essential resource guide in the Heritage world. Jewish Heritage annually updates the now established 'List of Listed Synagogues, Former Synagogues and other Jewish Sites in the UK' in the *Jewish Year Book*, which includes the Director's name in the 'Who's Who' section (2012 edition). The electronic version on Jewish Heritage's website now allows for more frequent updating.

ACTIVITIES AND ACHIEVEMENTS IN 2012

1. CASEWORK

Casework is the core activity of Jewish Heritage and the primary reason for our existence.

Under the English Heritage Support Officers Scheme, Jewish Heritage was required to monitor a short-list of mainly Listed synagogues, identified as being At Risk, through deterioration of historic fabric or redundancy through declining use, by the *Synagogues At Risk* Survey carried out for English Heritage in 2009. Jewish Heritage was also to encourage eligible synagogues to apply for financial assistance under the Repair Grant Scheme for Listed Places of Worship [RGPOW].

1.1 Statutory Protection

From time to time, Jewish Heritage initiates the Listing of synagogues and sites deemed to be of architectural and historic importance. On other occasions, we are consulted by English Heritage on applications for Listing that have been brought independently by Amenity Societies, local heritage groups or concerned individuals. The final decision in all cases rests with the Secretary of State for Culture on the advice of English Heritage.

In 2012 Bristol Synagogue (H.H. Collins with S.C Fripp 1870-1) was added to the List at Grade II. This brought the total number of working Listed synagogues in England and Scotland to 30¹, and 23 former synagogues, in England, Scotland, Wales and Northern Ireland.

No new Jewish sites, including burial grounds, were designated as Listed Buildings or Scheduled Ancient Monuments, or were placed on the Historic Parks & Gardens Register, during 2012. There are currently 27 Jewish burial grounds, parts of grounds, boundary walls, screens and gates, buildings, monuments and mausolea that are Listed in England and Scotland. The number has been steadily increasing over the past few years, largely through the input of Jewish Heritage.

¹ A further three synagogues are housed in Listed buildings, bringing the overall total to 33.

Jewish Heritage UK
Report of the Trustees
for the year ended 31st December 2012

The 2012 English Heritage *Heritage At Risk Register* (announced every autumn) included five functioning synagogues and one former synagogue. Blackpool and Sunderland were removed, not because they were no longer in danger but because they had ceased to function as places of worship². London's Sandys Row and Manchester's Higher Crumpsall remained on the *Register* despite having completed costly repair projects. A new entry was Withington Synagogue of Spanish & Portuguese Jews (now renamed Sha'are Hayim Sephardi Synagogue), Queens Road³, Manchester, M20, which, like Crumpsall, dates from the 1920s.

In 2012, Jewish Heritage provided support and professional advice to concerned individuals and/or dwindling congregations on the protection of buildings, artifacts and archives at the sites listed in section 1.7 (*v.i.*). There are a number of on-going cases on our books. It will be appreciated that heritage protection is frequently a long-term business with no quick-fix results!

1.2 Repair Grants for Listed Places of Worship [RGPOW]

Listed places of worship still in use for worship are eligible to apply. Operated jointly since 2004, funding of the scheme was transferred entirely to the HLF in October 2012, with expert advice provided by English Heritage. Subsequently, Jewish Heritage participated in an HLF Places of Worship Grants Consultation of users and potential users of the scheme.

Jewish Heritage advises congregations contemplating making an application. We are sometimes requested to supply references for applications.

Successful bids and/or projects completed in 2012 were:

- Leicester Synagogue (Grade II). £43,000 under RGPOW.
Hall sold off rather than synagogue.
- London, Golders Green Synagogue (Grade II) £111,000.
The congregation have raised £1m from public and private donations.
- London, Sandys Row Synagogue (Grade II).
Completion of programme of Repairs under RGPOW (£254,000)

During 2012 the above sites were removed from **Jewish Heritage's Sites At Risk** List. It is expected that Golders Green and Sandys Row will also be removed from **English Heritage's HAR** Register following completion of their repair projects.

² The *Register* excludes all Grade II buildings *except* those currently in use as places of worship.

³ The address is erroneously given as Lansdowne Road. In fact, Lansdowne Road, just around the corner, was the site of Sha'are Tsedek Synagogue that merged with Withington and was demolished in 2011.

Jewish Heritage UK
Report of the Trustees
for the year ended 31st December 2012

Unsuccessful bids for RGPOW in 2012

- Bradford Synagogue
- Grimsby, Montefiore Memorial Synagogue

These applications were made without the knowledge of Jewish Heritage. We are encouraging the congregations to re-apply and have advised that Accounts are submitted in which restricted funds (e.g. burial society and cemetery maintenance, officials' salaries and pensions etc.) are clearly itemised.

Outcome: A total of 3 synagogues became *no longer 'At Risk' in 2012.*

1.3 Private Grant Aid applied for in 2012

The Director provided a reference to Rothschild Foundation Europe for the Deane Road Cemetery project (Liverpool). The outcome is not yet known.

1.4 Public Consultations, Planning Applications & Development Proposals

- **Tower Hamlet's 'Managing Development: Development Plan' consultation: January 2012**

In the wake of the demolition of 'Mother Levy's' Jewish Maternity Home in the East End in December 2011 (see *2011 Annual Report*), Dr Kadish wrote a submission on the importance of the East End's Jewish Heritage.

- **Carmel College Synagogue and Amphitheatre (Grade II): August 2012**

Detailed proposals for conversion into a swimming pool and cafe were examined and a submission was made by Jewish Heritage in August 2012.

- **Penzance Synagogue (former): November 2012**

Jewish Heritage objected to a planning application for the redevelopment of the Star Inn that fronts the former Regency synagogue in Penzance. The developers were seeking to sell off the dilapidated former synagogue at the rear in Jennings Street.

1.5 Public Position Statements

Summary position statements on individual 'live' cases were drawn up by the Director and placed on the 'Sites At Risk' pages of the website (see *below*) with the endorsement of the Casework Committee.

1.6 Strategy Documents for synagogue use

- **Brighton, Middle Street Synagogue (Grade II*), April 2012**
- **Glasgow, Garnethill Synagogue (Scottish A List), August 2012**

Following site meetings, strategy documents were drawn up and presented to both congregations. With our encouragement, Garnethill proceeded to create a Building Preservation Trust, the first historic synagogue in the country to do so. Garnethill's building and repair funds have now been separated from those of the congregation, who have become tenants of the Trust. This is an extremely significant development that could serve as a precedent for other historic synagogues.

1.7.4 Burial Grounds

On burial grounds, Jewish Heritage seeks to work with Board of Deputies Heritage Ltd., established by the Board of Deputies of British Jews [BoD] in 2009. The Board is working to regularise Trusteeship, to determine title and boundaries of the ‘orphaned’ cemeteries currently in its care and of other cases as the need arises. These legal matters are in the hands of the BoD’s solicitor. In cases where documentation is absent, the Land Registry is content with a statutory declaration that the site in question was in use as a cemetery. They also require that a consecration service be held to confirm BoD ownership.

In addition, Jewish Heritage has developed good links with the strictly Orthodox Committee for the Preservation of Jewish Cemeteries in Europe (based in Stamford Hill, London) on cases of mutual concern.

During 2012 the following Cemeteries were *removed* from the Jewish Heritage *Sites At Risk* List:

Liverpool, Deane Road Cemetery

£494,000 Restoration project funded by HLF (2010) was successfully completed and the cemetery was re-consecrated in September 2012.

Glasgow cemeteries: Western Necropolis Jewish Section & Riddrie

In August 2012 these sites were found to have been tidied up by Glasgow City Council in co-operation with Glasgow Hebrew Burial Society. However, concerns remain about the appropriateness of maintenance methods.

1.7.6 Other Sites/Archaeology

Manchester Talmud Torah (former)

In August 2012, this site in Bent Street, Cheetham, was found to have been restored, with the addition of a new roof. The building is now in commercial use. This was partly as a result of the planning objection to almost total demolition made by Jewish Heritage in 2005.

Manchester Jews' School, Derby Street (former)

In October, Jewish Heritage objected to illegal demolition of the derelict building, resulting in a temporary 'stay of execution'.

Total Other Sites: 2

The total number of historic synagogues and sites assisted in 2012 was 36

2. MEMBERSHIP

2.1 Membership Growth

A core aim stated in the Project Proposals of 2009 was to transform Jewish Heritage into 'Anglo-Jewry's own Amenity Society' equivalent to the Georgian Group and Victorian Society etc., albeit without the statutory rôle. Essential to this goal was the development of a membership base. The process was initiated in 2010 with the production of the first edition of the campaign leaflet. In 2012 membership stood at 44. This total included 5 Family memberships and 9 Life members. The total of Corporate Synagogue Members stood at 3 (Birmingham, Liverpool and Glasgow).

The launch of a concerted Fundraising Drive in December 2012 was expected to produce an expanded membership at the beginning of 2013 (see below on *Resourcing*).

2.2 Programme of Jewish Heritage Events

In 2011, the main events put on by Jewish Heritage were connected with the launch of the Director's new book *The Synagogues of Britain and Ireland* (see below). Book launches were held in both London and Manchester, in co-operation with the London and Manchester Jewish Museums and Waterstone's Booksellers.

With a growing number of members, a programme of Jewish Heritage events was inaugurated in 2012:

Sunday 5th February 2012 'Britain's Top Ten Historic Synagogues' Northern reception held at the Manchester Jewish Museum. Tour and tea.

Sunday 15th July 2012 'Jewish Heritage in Bradford'. First Jewish Heritage Northern summer excursion organised for members and visitors, consisting of light kosher lunch, tour and talk at Bradford Synagogue, afternoon heritage trail around 'Little Germany' led by Nigel Grizzard and optional visit to Scholemoor Cemetery.

An equivalent 'Jewish Heritage in Brighton' excursion planned for August was cancelled due to insufficient interest (the 'Olympic effect' and holiday period).

Sunday 2nd December 2012 A Jewish Heritage *Annual Members' Day* [AMD] was instituted. The first one took place at the New West End Synagogue and featured afternoon cream tea and a lecture by the Director on 'Stained Glass in the British Synagogue'.

Jewish Heritage UK
Report of the Trustees
for the year ended 31st December 2012

Events were advertised both to Members and externally *via* The Heritage Alliance, Heritage of London Trust, the Victorian Society and *Jewish Renaissance* magazine. The question of attracting larger numbers to Members' Events was due for discussion by the Trustees in 2013.

3. NATIONAL REPRESENTATION & LIAISON

During 2012 Jewish Heritage interacted and worked with the following organisations:

3.1 English Heritage (Historic Places of Worship Support Officers Scheme)

The Director attended a national meeting of all English Heritage Support Officers in London on 24th April. She attended and contributed to a seminar organised by BOP Consulting Ltd. on behalf of English Heritage on 'Under-Represented Heritage of Faith Communities' held in Birmingham on 21st May. A report was subsequently published.

3.2 The Victorian Society

In August 2012 the Director was formally co-opted as a member of the Northern Casework Committee of the Victorian Society. She had been attending meetings held on a monthly basis in Manchester since May 2011, thanks to a connection made by English Heritage Steering Group representative Dr Dale Dishon with the former Victorian Society Director Ian Dungavell, to whom thanks are due.

3.3 Heritage Alliance/Historic Religious Buildings Alliance [HRBA]

Jewish Heritage is a member of the umbrella Heritage Alliance (formerly Heritage Link) and is represented by the Director on the Steering Group of its special interest group [SIG], the HRBA, formerly known as Places of Worship @ Heritage Link. Separate membership subscriptions are paid to both bodies. The Director helped organise the HRBA Annual Members' Day at the New West End Synagogue on 12th September and gave a short presentation on the work of Jewish Heritage to the Steering Group at their meeting held at Sandys Row Synagogue, Bishopsgate, on 5th December. On the following day, she represented Jewish Heritage at the Heritage Alliance AGM, held at the Westminster Synagogue, Kent House, Knightsbridge.

3.4 Churches Tourism Association

The Director gave an evening keynote lecture at the annual conference of the Churches Tourism Association in Swanwick, Derbyshire, in November 2012. This involved an overnight stay.

3.5 All-Parliamentary Group on Historic Churches

Through the HRBA the Director is invited to attend periodic group meetings held at Portcullis House, Westminster. In June 2012, she attended the annual tour and lunch organised by English Heritage for the MPs and Peers who make up the All-Parliamentary Group.

Jewish Heritage UK
Report of the Trustees
for the year ended 31st December 2012

3.6 Proposed Westminster Reception

An invitation was extended by the MP for Ramsgate, Mrs Laura Sandys, to hold a reception in 2013 at the Palace of Westminster in honour of the 'Top Ten British Synagogues'. A meeting was held with her and representatives of the newly formed Ramsgate Montefiore Heritage Group on 2nd May.

3.7 The Jewish Community

Jewish Heritage provided on-going independent professional support to custodians, individual congregations, trustees, synagogue organisations and burial societies to improve their ability to maintain and manage their historic buildings and sites.

The Director continued to give occasional lectures and presentations at the request of synagogues and other organisations within the Jewish community (e.g. Jewish Historical Society of England, Limmud, adult education events) throughout the year. These engagements took her to London, Leeds, Liverpool, and Glasgow as well as Manchester. She also attended outside events, for example: the Valedictory service at Blackpool Synagogue (July), the re-consecration of Deane Road Cemetery (Liverpool) (September) and Higher Crumpsall (Manchester) cantorial concert (December).

See Appendix 1 for full list of events.

4. TOURISM DEVELOPMENT

4.1 'Top Ten British Synagogues' initiative for Council of Europe's European Routes of Jewish Heritage

This initiative, started at the request of B'nai Brith, continued throughout 2012, with wider distribution of the *Top Ten Synagogues* leaflets, printed in 2011. In addition, as planned, twenty new postcards were printed, two of each of the 'Top Ten' sites, and subsidised wholesale sales began to participating synagogues, Bradford, Glasgow and Birmingham being the first to take up the offer.

4.2 Heritage Open Days 2012

European Jewish Heritage Day(s) events focused on Sunday 2nd September, with national Heritage Open Days taking place, as usual, over the following weekends in September: National - England; London Open House; Scottish and Welsh Open Doors. Once again Jewish Heritage provided support to organisers B'nai Brith UK in coordinating and publicising participating sites and our logo appeared on the official leaflet.

At site meetings held at Middle Street (Brighton) and Garnethill (Glasgow) in August, strong encouragement was given to the synagogue boards of management to participate in the above initiatives.

5. RESEARCH, EDUCATION & DISSEMINATION

5.1 Research and Publication

***Jewish Heritage in England: An Architectural Guide* by Sharman Kadish, proposed 2nd edition**

The new Head of Publishing at English Heritage, John Hudson, was eager to commission a second edition of *Jewish Heritage in England*. Since 2006 the guidebook went through two print-runs and by 2012 had almost sold out in the UK. The planned new edition would be re-titled *Jewish Heritage in Britain and Ireland*, better reflecting the actual content. More photographs of the rest of the UK and Ireland would be included. It was agreed with English Heritage that some of the Director's time could be used on the revisions under the existing Support Officers budget. No further funding would be forthcoming for this project other than a very modest advance to the Director.

In the spring and summer of 2012 site visits were completed and revisions made to all of the heritage trail maps featured in the book. The Director was accompanied by architect Viorica Feler-Morgan in Birmingham (April) and Brighton (May) and by Barbara Bowman in the East of London (April) and Manchester (August). Ms Bowman subsequently made a few amendments to the maps that she drew for the original edition. The new edition would include full postcodes for SatNav use and updated contact details including web addresses.

A draft contract was drawn up and modified in negotiations between the Director and English Heritage Publishing, with a view to completion in spring 2013 and publication in spring 2014.

5.2 Press Coverage See Appendix 3

The Director wrote a number of articles, reports and 'letters to the editor' for the Jewish press, synagogue magazines and newsletters *etc.* A double page spread was given to her piece on cemetery maintenance in the *Jewish Tribune* in June. Her report and photograph of the Deane Road (Liverpool) re-consecration appeared in September. Her letter on Manchester cemeteries appeared in all four editions of the *Jewish Telegraph* (Manchester, Leeds, Liverpool and Glasgow).

Jewish Heritage was quoted or referred to by the *Jewish Chronicle* on the following subjects: VAT on Listed Buildings, development proposals for the former Carmel College (Oxfordshire), and Garnethill Synagogue, Glasgow.

During 2012, Dr Sharman Kadish's new book *The Synagogues of Britain and Ireland* (Yale University Press 2011) continued to receive excellent reviews, notably in *The Daily Telegraph*.

5.3 Website Re-launch

On 9th August 2012 the website was re-launched. For the first time since it was originally launched back in 1999, jewish-heritage-uk.org was completely redesigned using a Content Management System. This work was carried out by Zack Morgan of Morgan Internet Design (MID) (London), who redesigned the Victorian Society's website. The Director continued to be responsible for content but is now able to manage and update the website herself. Technical management is in the hands of MID. The Director transferred material over to the new site and updated many of the pages. New pages and new features have been added, notably a PayPal facility for on-line payment for events, subscriptions and donations. Feedback has been very positive. There are now more than 50 pages.

Web traffic continues to increase reflecting the availability of the website on laptops, iPads and smartphones. There is an average of about 1,000 visitors per month. This growth is reflected in an increasing volume of enquiries, mainly via email, from the UK and overseas.

5.4 Publicity Opportunities

During 2012 the following opportunities arose to disseminate and advertise Jewish Heritage:

February: Who Do You Think You Are? London

Annual genealogy weekend at the Olympia Exhibition Centre. Leaflets were supplied to the Jewish Genealogical Society of Great Britain [JGSGB] stand at their request (as in previous years).

May: JGSGB Northern AGM Manchester

The Director manned a Jewish Heritage stall at this day event held in Prestwich.

December: Hazanut [Cantorial] concert, Manchester

The Director manned a Jewish Heritage stall at a concert held at Higher Crumpsall Synagogue, Manchester held in honour of the synagogue's veteran *hazan* Abraham Hillman.

Plus stalls at Limmud (see below)

5.5 Public Lectures See Appendix 1

During the year the Director continued to fulfil lecturing engagements to professional audiences and to the Jewish and general public around the country.

6. RESOURCING

6.1 Development Sub-Committee's Activities

The Development Sub-committee was set up by the Trustees (*see above*) to develop a Fundraising Strategy for the organisation. The new committee met before the Trustees' meetings in May and September and regular informal talks were held between the Director and acting Chairman of the Development Committee, Michael Mail. It was agreed that the acquisition of new donors, both public funders and private individuals and Foundations/Trusts, must be given high priority in order to secure the long-term stability of Jewish Heritage and in order to build capacity. The magnitude of the task was not underestimated given the harsh economic climate.

6.2 Printing

The following items were produced:

- New letterhead, compliments slips and business cards
- New campaign leaflet. The existing A4 folded colour leaflet was redesigned and 5,000 were printed. This stock was soon used up and a second print-run of 5,000 was ordered for delivery in January 2013.
- A set of twenty postcards, two for each of the 'Top Ten British Synagogues' (*v.s.*), was produced for sale at a highly subsidised cost to each site.

The new publicity materials were prepared by the Director with the assistance of Mr Mail and approved by the Trustees. The text for a fundraising brochure for presentation to prospective donors and patrons was also agreed.

6.3 Launch of Annual Appeal

The *Bedek HaBayit* 'Repairing the House Restoration Sabbath Annual Appeal' was instituted on 18th February 2012, to coincide with *Shabbat Shekalim* in the Jewish religious calendar. The appeal was launched with a press release and advertisements in the Jewish press (in the week of 13th February). A favourable deal was negotiated with several newspapers in order to secure a bigger space, and write-ups were achieved in the *Jewish Tribune* and *Jewish News* (London). As a direct result of the appeal, the *Jewish Chronicle* offered the Director a 500-word 'My Week' column in their issue of 24th February that provided further opportunity for coverage. The back page space given by the *Jewish Telegraph* (all four regional issues) ensured that the advertisement was widely seen in the regions. Proceeds were very modest and did not nearly cover costs. Advertising is expensive, even though registered charities are exempt from VAT for advertising. However, the aim in the launch year was to establish the Appeal conceptually to raise the public profile of Jewish Heritage. This objective was achieved.

6.4 Fundraising Mail Shot

Administrator Marci Freedman was tasked with researching potential donors and Dr Greenberg remodelled the existing database of contacts for tracking membership, subscriptions and donations.

- At the end of December a mass mailing was dispatched to 633 individuals and organisations.
- Of these, about 20 individuals and organisations were chosen as possible 'core' donors, with whom a personal meeting was sought to discuss our work.
- Invitations were sent out to five prominent individuals in the Jewish community to become Patrons of Jewish Heritage.
- 3,500 leaflets were dispatched to *Jewish Renaissance* magazine for circulation with the January 2013 issue. (In July 2011 this advertising had produced a significant number of new members).
- Plans were made to print and circulate another 31,500 leaflets with the *Jewish Chronicle* issue of 8th February 2013, to coincide with the second Annual *Bedek HaBayit Shabbat*. It was agreed to target pre-selected individual synagogues by letter, rather than to take out advertisements in the Jewish press as had been done in 2012.
- Trustees were requested to network and to make contact with potential sponsors known to them. Following an approach to an existing Member after the AMD, a donation of £8,000 was secured by this method.
- Permission was secured from Rothschild Foundation Europe to re-apply under Stage Two of their Jewish Heritage scheme for a renewal of funding from autumn 2013.
- Grant opportunities for public funding (especially HLF) to replace the English Heritage fifty-percent funding were to be explored as new programmes were being announced in the winter of 2012-13.

6.5 Fundraising Costs

Fundraising itself has associated costs that are a drain on any charity's resources. Fundraising expenditure by Jewish Heritage during 2012 was as follows:

Leaflet Design & Printing (5,000)	£ 504
Postage	£ 400.40
<i>Jewish Renaissance</i> mailing	£ 190
Total	£1,094.40

Jewish Heritage UK
Report of the Trustees
for the year ended 31st December 2012

It was anticipated that significant expenditure on printing, advertising and distribution would be incurred in January 2013 amounting to some £4,000. The return on investment of time and money in fundraising would become clear during the course of 2013.

FINANCIAL REVIEW 2012

Dr Harry Sieratzki continued to serve as Honorary Treasurer and Dr Syd Greenberg continued to act as Honorary Bookkeeper.

As previously reported, grant aid for the following three years was secured in 2009. The grant from Rothschild Foundation Europe was worth £90,900 over three years, from September 2009 to August 2012. The matching grant from English Heritage totalled £90,840 over three years from April 2010 to March 2013.

In late 2012, the imminent expiry of these major sources of income necessitated consideration of fundraising (*see above*). Due to a substantial cut to English Heritage's budget announced in the Autumn Statement, it became clear that there would be no prospect of further assistance from this source in the near future. English Heritage's Central Budget in London, from which Jewish Heritage's Support Officer funding derived, was to be eliminated, and there was little prospect even of out-sourced commissions, e.g. on Jewish cemeteries or regional projects. The need to find alternative sources of funding had thus become imperative.

Mr Mail was added to the existing Bank Mandate as a signatory to the Account, making a total of four signatories.

In accordance with Charity Commission rules on Reserves policies, in 2011 the Trustees agreed that a reserve of up to £60,000 was needed to run the charity, equivalent to the current annual expenditure of £60,000 (*see 2011 Annual Report*). The reserve took into consideration both contingencies and depreciations. In 2012, the Trustees agreed that proceeds from memberships, donations and sales (constituting unrestricted income) would be put towards building up the Reserves Fund.

Gift Aid (an extra 25% on donations from tax payers who signed the Declaration) would be claimed after April 2013, when the application process was due to be converted to an on-line procedure by the Inland Revenue.

The 2012 Accounts would be officially examined by the charity's Accountants after the expiry of the English Heritage grant aid in the spring of 2013.

Jewish Heritage UK
Report of the Trustees
for the year ended 31st December 2012

Statement of Trustees' responsibilities

The Trustees are responsible for preparing the Trustees' Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Charity law in England & Wales requires the Trustees to prepare financial statements for each financial year, which give a true and fair view of the state of affairs of the charity and the income and expenditure of the charity for that period. In preparing the accounts the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The Trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charity and to enable it to ensure that the financial statements comply with the Charities Act 1993, the Charity (Accounts and Reports) Regulations 2008 and the provisions of the trust deed. They are also responsible for safeguarding the assets of the charity and hence taking reasonable steps for the prevention and detection of fraud and other irregularities.

The Trustees who served during the year and up to the date of this report are set out on page 1.

This report has been prepared in accordance with the Statement of Recommended Practice: Accounting and Reporting by Charities (issued in March 2005).

Approved by the Trustees and signed on their behalf by:

Dr H. Sieratzki (Trustee and Hon. Treasurer)

9th July 2013

Independent Examiner's Report to the Trustees of Jewish Heritage UK

I report on the accounts of the Trust for the year ended 31st December 2012 which are set out on pages 27 to 33.

Respective responsibilities of trustees and examiner

The charity's trustees are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year under section 43(2) of the Charities Act 1993 (the 1993 Act) and that an independent examination is needed.

It is my responsibility to:

- examine the accounts under section 43 of the 1993 Act;
- follow the procedures laid down in the general Directions given by the Charity Commission under section 43(7)(b) of the 1993 Act; and
- state whether particular matters have come to my attention.

Basis of independent examiner's report

My examination was carried out in accordance with general Directions given by the Charity Commissioners. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a 'true and fair view' and the report is limited to those matters set out in the statement below.

Independent examiner's statement

In the course of my examination, no matter has come to my attention:

- (1) which gives me reasonable cause to believe that in any material respect the requirements:
 - to keep accounting records in accordance with section 41 of the 1993 Act; and
 - to prepare accounts which accord with the accounting records and comply with the accounting requirements of the 1993 Acthave not been met; or
- (2) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

Notes to the accounts
for the year ended 31 December 2012

1 Accounting policies

The principal accounting policies adopted in the preparation of the financial statements are set out below. They have been applied consistently during the year, and in the preceding year.

a Basis of preparation

The financial statements have been prepared under the historical cost convention and in accordance with the Charities Act 1993, the Statement of Recommended Practice - Accounting and Reporting by Charities (issued in March 2005), and the Financial Reporting Standard for Smaller Entities (effective April 2008).

b Fund accounting

- Unrestricted funds are available for use at the discretion of the trustees in furtherance of the general objectives of the charity.
- Restricted funds are subjected to restrictions on their expenditure imposed by the donor or through the terms of an appeal.

c Incoming resources

All incoming resources are included in the Statement of Financial Activities when the charity is entitled to the income and the amount can be quantified with reasonable accuracy. The following specific policies are applied to particular categories of income:

- Voluntary income is received by way of grants, donations and gifts and is included in full in the Statement of Financial Activities when receivable. Grants, where entitlement is not conditional on the delivery of a specific performance by the charity, are recognised when the charity becomes unconditionally entitled to the grant.
- Investment income is included when receivable.
- Incoming resources from charitable trading activity are accounted for when earned.
- Incoming resources from grants, where related to performance and specific deliverables, are accounted for as the charity earns the right to consideration by its performance.

d Resources expended

Expenditure is recognised on an accrual basis when a liability is incurred. Expenditure includes any VAT which cannot be fully recovered, and is included as part of the expenditure to which it relates.

e Tangible fixed assets

Fixed assets are stated at cost less accumulated depreciation. Individual items costing less than £150 are not capitalised.

Tangible fixed assets are depreciated on a straight line basis over their estimated useful lives as follows:

Asset Category	Annual rate
Computer equipment	33% period of warranty

f Cash flow statement

The charity has taken advantage of the exemption in Financial Reporting Standard 1 from preparing a Cash Flow Statement on the grounds that it is a small entity.

g Going concern

Current grant funding to the charity comes to an end in 2013. The trustees are confident that sufficient funds remain within the charity to the end of 2013 to cover budgeted costs, which include a scaling down of activity from April. The charity shall continue to seek further funding from organisations and donations from individuals. Should the charity be unsuccessful in raising further funds, the trustees are confident that the charity can be wound up on a solvent basis.

Based on the above, the trustees have prepared the accounts on a going concern basis.
